Logitech®

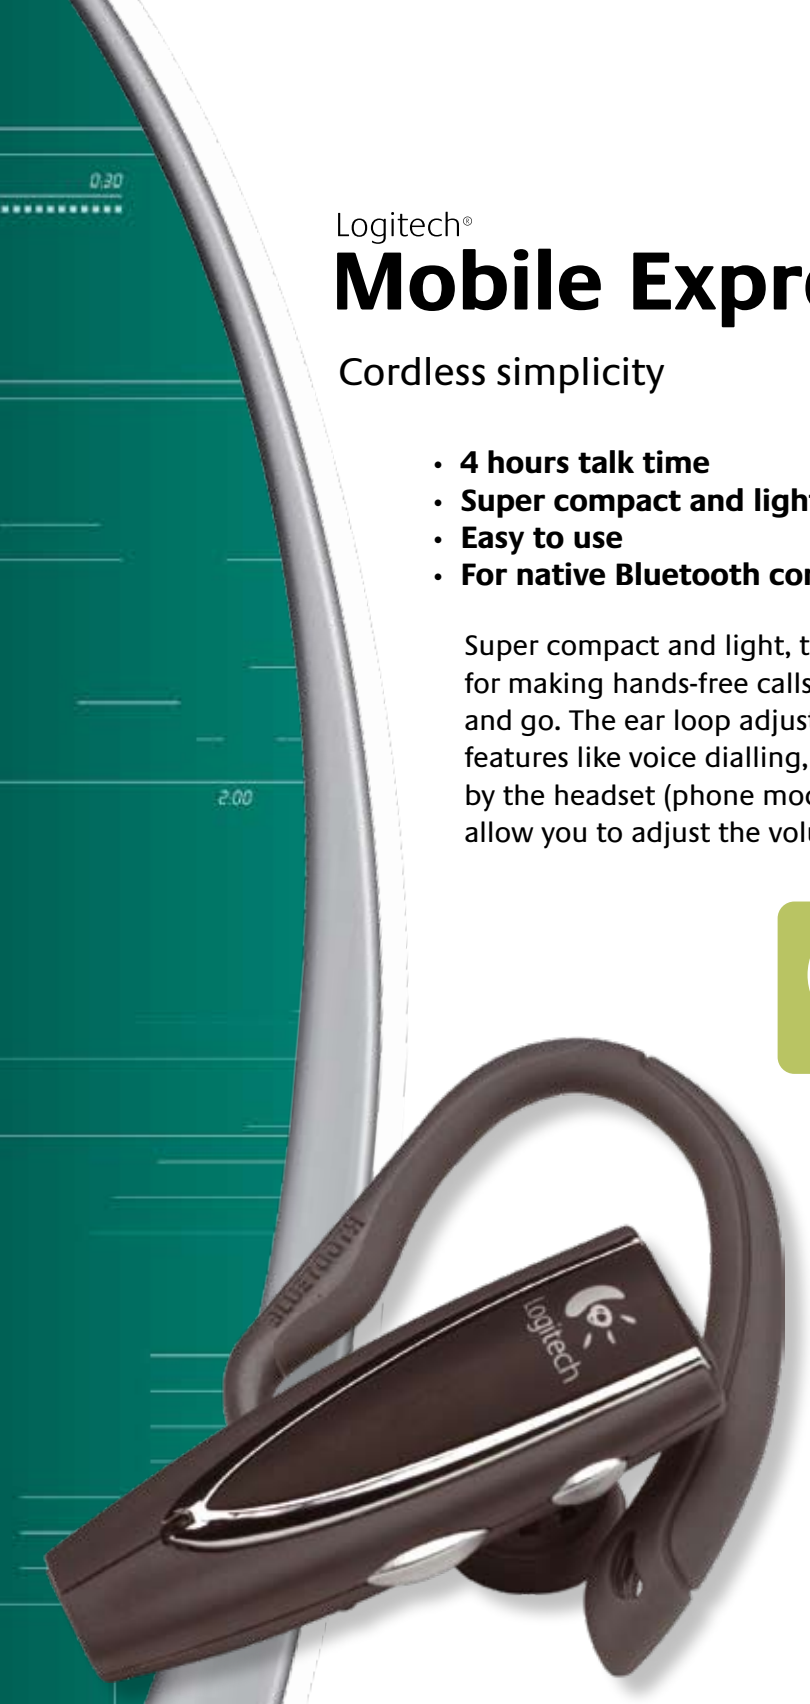
Mobile Express™ Headset

Cordless simplicity

Entry level
Easy to use

- **4 hours talk time**
- **Super compact and light (16 g)**
- **Easy to use**
- **For native Bluetooth compatible phones and PCs**

Super compact and light, the Logitech Mobile Express Headset clips anywhere for making hands-free calls. Simply pair it with your Bluetooth® mobile phone and go. The ear loop adjusts for a pleasant fit on either ear. Advanced phone features like voice dialling, redial, mute, and call end/answer/reject are supported by the headset (phone model dependent). Soft-touch controls on the headset allow you to adjust the volume or mute the call.



Product specifications

- Bluetooth 1.2 / full duplex / secure encrypted transmission / range 10 meters / headset & hands free profiles
- Functions: call end/answer/reject, voice dialling, last number redial, mute, volume up/down. Availability of functions is phone model dependent.
- Rechargeable lithium ion battery
